ALUMINIUM WINDOWS

APX FLUSH CASEMENT

ONE ALUMINIUM SYSTEM, TWO WAYS TO OPEN

- 32mm Polyamide Thermal Break
- Uw From 0.9 W/m²K
- PAS24 Security Available

APX Flush Casement is a thermally broken aluminium window built around a 32mm polyamide barrier, so slim frames deliver U-values from 0.9 W/m²K. Every sash opens outward, as a classic side-hung casement or a top-hung projecting window in the British style, with heavy-duty sashes up to 1800 x 1800mm. Powder-coated in any RAL colour and weather-tested for the UK, it is engineered to carry more glass with less frame.

- Casement or Projecting Opening
- Acoustic Insulation Up to 45dB
- 10 Year Guarantee

APX FLUSH CASEMENT SYSTEM
