UPVC WINDOWS

FRENCH CASEMENT

TWO SASHES, NO CENTRE POST, ONE COMPLETELY UNOBSTRUCTED OPENING

- Flying Mullion Clear Opening
- A+ Energy Rated
- PAS24 Security Available

The central mullion travels with the master sash, so opening both sashes clears the full width of the window in one uninterrupted span. The flying mullion floods the room with light and fresh air, connects you to the outdoors and creates a wide clear exit that satisfies Building Regulations Part B for emergency egress. Everyday performance is engineered in, with a 70mm sculptured profile, welded joints and a hand finished sash on every window.

- 28mm Double or 36mm Triple Glazing
- Building Regs Part B Compliant Egress
- 10 Year Guarantee

UPVC FRENCH CASEMENT SYSTEM
